COUNCIL COMMUNICATION

AGENDA TITLE: Consideration of a Resolution Establishing a Permit Fee For Industrial Waste Haulers

MEETING DATE: March 3, 1993

PREPARED BY: City Attorney

RECOMMENDED ACTION: Council consideration of the attached resolution establishing a permit fee for industrial waste haulers.

BACKGROUND: At the January 6, 1993 Council meeting, Ordinance 1561 was introduced. This ordinance brought into the City's exclusive franchise all collection of industrial waste. Prior to this time, the franchise involved only residential and commercial waste.

It is now necessary that the Council, by resolution, establish an annual permit fee for the hauling of such industrial waste. After consultation with the franchisee and various other persons and interests, it has been recommended that the annual permit fee be set in the amount of \$500.

FUNDING: None.

Respectfully submitted,
